about CoSteer®

We support you in enhancing your organisation's efficiency and effectiveness and their impact on performance by using our proprietary technology and assessment methodology – **GovQ+**.

With evidence-based practice, interdisciplinary research methods, and governance expertise, using **GovQ+** we measure three foundational and interconnected elements of performance:

- Organisational culture
- Decision-making, and
- Decision implementation

Outputs validated

means you can assess **your quality of**

governance

code compliance

culture

people engagement

inclusivity

murmuration®

“**GovQ+** hit the nail on the head with our organisation's **strong culture** and information scores and lower perceived effectiveness scores.

We were already implementing more structure to our processes along with some Key Performance Indicators to improve our effectiveness, **so this has been a refreshing endorsement of our approach**”.
